

# Leadership SUWANNEE

## A Program of the Suwannee County Chamber of Commerce

Leadership Suwannee is a valuable learning tool that provides civic minded participants with information relating to the issues, opportunities and challenges facing Suwannee County. Leadership Suwannee's members will participate in education sessions, tours and candid conversation with community leaders and is designed to identify, educate and develop leaders for our community. Topics will include public safety, education, healthcare, tourism, agriculture and economic development to name a few.

Members of Leadership Suwannee will be selected by an application process and applications are sought and encouraged from all segments of our community. The Leadership Suwannee committee will select 20-30 qualified candidates based on applicant's merits.

The goal of the Leadership Suwannee program is to develop informed leaders who are prepared and committed to serve our local community and do their best to make Suwannee County a better place to live and work.
